Clearwater Lodge No. 127 F&AM

From the desk of the Worshipful Master

As of January 4th, I will be the Worshipful Master of Clearwater Lodge #127. It will be my great honor and privilege to lead you all through this next year. I hope that I can be as successful as my predecessors in accomplishing the many challenges that will occur during this time.

I am very grateful that I was able to have RW Glen Bishop, W:. Greg Hanke and W:. Doran Latorre as my mentors and thank them for guiding me through the years as I went through the chairs that have led me to this position.

I am looking forward to continuing the good works and deeds that have been done so far. I am going to continue in the same manner as last year and hope to start some new projects to help the community. I will need everyone's cooperation and participation in accomplishing these endeavors.

Because of the installation, there will be no breakfast on January 4, 2020. The last few breakfasts definitely saw an increase in kitchen help and it is greatly appreciated. I sincerely hope this can continue as people so enjoy our breakfast. It also helps our Lodge, as proceeds go toward our charitable obligations. Also, please invite as many friends and family to attend so they can enjoy the good food.

There is a donation basket on the glass display for Corky's Cabinet at the Masonic Home, for items that were requested by the Grand Masters First Lady, to help the residents there. Residents can go and take the items free of charge whenever they need them. A flyer with the items needed is by the basket, please take one and, if possible, purchase what you can for the basket. When the basket is full, we will deliver it to the Masonic Home. This will be an ongoing project this year as well as our Food Drive barrel.

I would like to encourage all members to attend the Sun-coast Master Mason Meeting at Star Lodge on January 15th at 6:30 pm. You will be able to get important information on what is going on in our District as well as becoming acquainted with some of the other Brothers that belong to our District.

Thank you again for your vote of confidence in electing me Worshipful Master for 2020.

Fraternally

Can you see the 3D image in the picture above? Relax you eyes and focus deep into the picture. Trust me theirs really a 3D image.

From The Desk of The Lodge Treasurer

Welcome my Brothers to 2020!!

We trust your Holidays were the best they could be and gave you the warmest of cheer, filled with Fellowship, Family, and Fun and Love.

We now face forward to move into the new year with great anticipation and respect for our new Officers, as we say adios to 2019.

Last year was good to our Lodge with all of the new members. Even though we endured a great expense to replace our air conditioning, we are thankful we had the where-with-all to absorb that ominous expense. Hopefully, that expense will produce extra savings on future utilities.

January will be a busy month with Installation of our 2020 Officers on January 4th, the Guggenheim Dinner on the 25th, and a Master Mason Degree sandwiched between. We sincerely hope all will plan to be at Guggenheim party for a great dinner, karaoke, and dancing. With R.W. John Brown on the mike, there will be much fun and fellowship. Please plan to bring your family and friends for a great time!

Your Finance committee will be presenting the Budget for 2020 at our Stated Meeting so please plan to attend. We wish tremendous Fraternal success to our new officers, and sincerely welcome all Brothers to attend Stated Meetings, Called Communications, and Planned Events.

Happy New Year!!!

Is the Lodge Part of Your Legacy?

If it's been a while since you reviewed your Estate plans, now is the ideal time to make sure it accomplishes what you want it to. Do you feel confident about the status of your estate as we start a new year? As some of us age more than others, hopefully each of us have created a will or trust, named your beneficiaries on your life insurance and retirement plan assets.

As Life changes so should your Estate Plans. Take some time to review and update all of your legal papers. Each Masonic Brother should determine his own personal Legacy plans, especially before the final call is made to the Supreme Lodge on High. Is your Lodge name included as part of your plan in your Estate?

The Lodge LEGACY FUND that was previously created years ago from 4 Estates Funds has been fully depleted. The large balance previously held in the Legacy Funds paid for the replacement of the (30-ton) Air Conditioner for the Lodge Room and the (15-ton) AC system for the Social and Dining areas a few years past. As we start this new year (2020), now is a good time to include this Lodge in your updated estate plans and to recognize your Legacy wishes. Please include Clearwater Lodge No. 127 name in your plans with an amount or percent. This will provide that your name will be remembered with your donation from your Legacy.

Money received will be placed in a restricted Legacy fund with the money used to meet future needs for major emergency, repairs and improvements all approved by the craft. **Please consider giving to this Legacy Fund at any time during the coming years.** This Legacy Fund is not part of any other fund. If you have already made provision in a will or trust let the Secretary know your name.

From The Desk of The Lodge Secretary

The year is over and it is time for me to take on the huge responsibility of being your Secretary. I have some large shoes to fill in trying to replace W.: Don Langworthy and the things he has done for the lodge. He's like the Eveready Bunny, he never stops. He'll have his hands full trying to train me.

Now for a little background on myself. I'm originally from Clearwater. I'm a graduate of Ponce de Leon Elementary, Largo Junior High, and Largo Senior High School. I went into the USAF after high school and made it a 20 year career. I only had 3 years on the GI Bill so I entered Eastern Washington University where I completed my BSW in 2 years and my MSW in 10 months. Upon graduation I started to work for the SSA. in 2009, my wife and I called it quits and retired here permanently.

We have a son and a granddaughter. Our son is an assistant superintendent of the waste water division for the city of Raleigh, NC.

I trust everyone had a great holiday season without too many mishaps. This coming year should prove to be a good one with everyone's help, helping each other. There are new jobs to be learned and committees to be filled. So, don't be bashful, just dive right in and get your feet wet. Hopefully we will choose the correct path to make it to our destination.

Fraternally,
Farran Bognar
Secretary
