From The East

Worshipful John Weldon

Hello my Brothers,

We are finally going from darkness to light. As we enter the last half of 2020 I hope that we are able to be more successful in fulfilling our Masonic duties as this Pandemic has definitely caused a lot of stress, anxiety, and change to our world. We also experienced change around the Lodge that did not help the situation as the intersection on Druid and Hercules has been under construction for some time.

Moving forward, we will have our first Stated Communication on Tuesday, September 8th, and I look forward to welcoming all my Brothers back to the Lodge. I hope that as many as possible will be able to attend. I will be discussing the many events that will be happening the rest of the year. It should be very exciting as we will be working more closely with the Grand Lodge.

Our Saturday breakfast will start September 5th and I encourage everyone to please attend and invite your family and friends to come. I have talked to the Senior Warden, Shaun Imbody, and we are going to need volunteers to help in the kitchen. At this time there will not be a Family Dinner in the month of September.

In trying to follow the guidelines set forth by Grand Lodge we will be Social Distancing at all of the events. As for wearing a mask, this choice will be left up to the individual. If you are comfortable wearing one please do so. It is necessary that we respect one another's wishes. Hand sanitizers will be available and I strongly recommend that they be used.

I want to congratulate RW Glen Bishop on becoming Junior Grand Warden. I look forward to working with him in the next few months.

A shout out to Brother Michael Jackson for maintaining the landscape and beautification of our Lodge. He has done a great job. Also, Julie Latorre, for coming in and making sure our Lodge is kept in a neat, clean, and sanitized order. I also want to mention Brother Farran Bogner who became our Secretary and has definitely made some changes that have helped the Lodge. Thank you very much, it is greatly appreciated.

In closing, I hope to see as many Brothers as possible continue their participation in our Lodge. See you all on September 8th.

Fraternally yours,

John Weldon, WM

From The West

W.: Shaun Imbody, Sr. Warden

Greetings from the West!

What a year it has been! Finally, we get to welcome EVERYONE back to the Lodge beginning Saturday, September 5th with breakfast. Please tell everyone you know. This month we have breakfast on the 5th and 19th with the Bloodmobile scheduled for the 19th and Stated Meetings on the 8th and 23rd. Hope to see you all there. Brethren, we are planning for the Lodge for the coming years.....any Brother who wishes to participate in the Lodge as an Officer or Committeeman, please let me know.....express your interest, PLEASE! We need to know what talent and interest we have available to us. We need to have Brothers capable of all parts of the Ritual.....If you are able to perform any particular Lecture or willing to learn any particular parts, we would like to know. Ever think about being a Chaplain? Or a Steward? Tyler? Maybe learning the Staircase Lecture? The Explanatory Lectures? Serving on the Acacia Committee? PLEASE EXPRESS YOUR INTEREST!

Brethren, I would like to remind you.....Masonry is composed of Brothers from all walks of life.....many different religions, races, dogmas, and yes, political views. To ignore what is going on in the world around us is to put our collective heads in the sand. It is obvious that our society has become polarized politically, and there are things happening in the world around us that none of us could have ever envisioned in our lifetimes. Remember we are a society of FRIENDS AND BROTHERS.....that our Brotherhood endures because of our relationships with everyone with equal respect. If we, as a society, are to heal.....it will be by embracing our commonalities, and not by exacerbating our differences. I can think of no other period within our lifetimes, where these lessons are more applicable.

Fraternally,

From The South

Nathan Reach, Jr. Warden

Friends and Brothers, I hope you are well and following the advice of Dr. Fauci, because I look forward to seeing you all after this, our present crisis, come to a close. In this trying time, recognizing our shared humanity, acts of individual charity, and living quietly in our communi-

ties while being sources of sober good cheer will endear us to our neighbors and set us on a path to once again be recognized as a useful organization with things to offer our society, most especially our young men.

The wise cannot predict when we will see each other again, but please know that you are in my thoughts and prayers. I close this article with a quote from an author that I admire very much and whose friendship with C.S. Lewis is to be studied, admired, and emulated who said, “Living by faith includes the call to something greater than cowardly self-preservation.”

**Louis Imbody**

Greetings Brothers,

WOW!! What a year our Nation is having. We sincerely hope and trust that you all are well and have stayed safe through this Virus Pandemic. I am sure we are all just itching to get back to our Meetings, Degree Work, and Fellowship. It will be great to see everyone in September. Let's hope the driveway and street work will be finished soon. These past six months have been somewhat difficult, and not only because of the isolation, but because many losses in our friends and family, and the need to stay home, wear masks, and social distance. The losses have been several and deeply hurting, both personal and Fraternal, and we pray for the families.

Please join me in celebrating the accomplishment of our Brother Glen Bishop. We are so elated to have him in our Leadership. We must and will do all we can to support him and his Lady on their coming journey beginning with the Homecoming Dinner on September 12th. Let's all show our love and support.

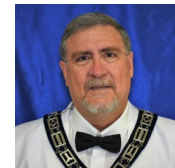

We look forward to our Lodge opening back up with our first Saturday Breakfast on September 5th and first Stated Communication on the 8th. We will also have the Bloodmobile here on Saturday the 19th, so remember, if you give blood your breakfast is free. Although I know we will be so happy to be together again, we will still need to be diligent in wearing masks and social distancing.

Your Lodge has remained fiscally strong through this shutdown, though there were no activities to help with increasing balances. All bills have been paid through these months and the investments are holding their own. Any questions can be directed to myself, the Worshipful Master, Senior Warden, or Secretary.

It is my understanding that even though the Ladies of the Eastern Star will be dark through September, they have still graciously agreed to provide the dinners prior to our meetings. Please plan to come and enjoy being together again—in a socially distanced sort of way. It will be great to see you all!!!

Your Treasurer,

Louie

**From The Secretary**

**Farran Bognar**

I hope this message finds everyone well. It's been quite a ride and I can't wait to get back into the Lodge. Even though the Lodge is dark my job never quits. Masks in the building are not mandatory, but recommended. We have some new hand sanitizers in the dining room. One is mounted on the wall just inside the front door. There is another one mounted on the wall to left of the serving counter. Sanitizer refills are out nation wide. I'm on a waiting list. So for the time being, there will be a squirt bottle by the front door. If you don't feel well please stay home and get well.

We currently have 17 Brothers that have not paid their dues for 2020. That's \$2635 that the Lodge can't use for charities. A reminder letter went out in June and another one will go out in October before you're suspended for Non-Payment of Dues. Please look at your dues card and verify that it's for 2020. You could look into the Perpetual Membership Program. The cost is 20 times the dues and can be paid off in installments. Come and see me about it and I will give you some information.

We have a new clothes dryer due to the generosity of Brothers Richard Casper and Edgar Webster and his wife Anne-Marie. The old one finally bit the dust. If you happen to see any of these individuals in your travels please give them a heart felt thank you. It is selfless acts like this that make me proud to be a Mason.

### **Animosity Among the Craftsmen**

**Animosity:** noun: a strong feeling of dislike or hatred; ill will or resentment tending toward passive / aggressive hostility: an antagonistic attitude.

Because of human weakness and propensity to misunderstanding, even a passing unkind word or a small thoughtless act can lead to serious consequences in personal relationships. Therefore much vigilance is required to sustain good will between Brothers, and where trust is compromised, much care is needed to make things right. The enemies of healthy human relationships are ignorance, insensitivity, selfishness, evil desires, arrogance and blind pride. Such dispositions degrade human life and cause untold suffering and pain. They produce all sorts of misunderstandings, conflicts, antagonisms and bitterness between people.

Know the difference between annoyance, temper, losing one's temper, and lapsing into rancor. With this knowledge be prepared ahead of time. Make it a matter of spiritual strategy to cut off the process of conflict at the start. Stand back, take a deep breath, think before you speak or act, and have alternative ways of responding to situations when sparks are ready to fly. Do not allow annoyance to turn into anger and anger into rancor. *"When a passion arises, when it is young and feeble, cut it off, lest it stiffen and cause you a great deal of trouble. It is one thing to pluck out a small weed and quite another thing to uproot a great tree."*

Each of us can think of positive ways of responding to provocations. Sometimes it is best to keep silence and take up the matter at a more opportune time. A Brother can speak softly and ask questions of clarification, or a Brother can humbly excuse themselves. We can let the moment pass and at another time address an offender with patient words. There are ways to find the right words and speak with the right tone of voice to keep the fire from flaring up with the risk of consuming those involved.

Psalms 7:5, *"If I have paid back evil for evil, let me fall down defenseless before my enemies."* To commit evil for evil is to work against our own self. The saint explains: *"The 'falling' means no longer to have the power to get up. The 'defenseless' means not to have anything good left in us by which we may at length get up again."* We are in danger of losing "our capacity for acting virtuously, or power of right action" by wanting to get even.

Vagaries of the Ascetic: *"The man who prays for his enemies is a man without rancor."* Praying for the wellness and salvation of our adversaries provides the surest path to being healed from resentments and to preparing the ground for healing and peace. May the Great Architect of the Universe give us to remember and keep what we have learned, lest it bring us a heavy sentence on the day of judgment.

The act that hurt or offended you might always be with you, but forgiveness can lessen its grip on you and help free you from the control of the person who harmed you. Forgiveness can even lead to feelings of understanding, empathy and compassion for the one who hurt you. Forgiveness doesn't mean forgetting or excusing the harm done to you or making up with the person who caused the harm. Forgiveness brings a kind of peace that helps you go on with life.

It is not for me to force upon you that which I think; it is but for me to encourage you to think.

To the Officers and Members of Subordinate Chapters of Florida; As I said on March 16, 2020 "it is with a great deal of love and concern for our Membership that I am writing to you today". I find myself in that same position again! Together we have endured many hardships since that time and we still face most of those same hardships. I want you to know that our Elected Grand Line has been working together to try and plan for opening our Chapters however, that does not appear to be possible! As you all know the Covid 19 numbers continue to grow around our State and while we do have areas that may not have increasing numbers the vast majority do. We did try to find the "light at the end of the tunnel" in May when I advised we would be celebrating Rob Morris and the opening of our Chapters in September however, that light has been extinguished and we are extremely disappointed!! After a lot of praying, careful consideration, and reviewing the input from the Past Grand Matrons and Past Grand Patrons, I am extending the closure of our Chapters! While some have recommended that we extend this closure until the new year begins in January we have seen how quickly things can change and I do have faith that we should be able to resume "normal" live before the holidays! I again ask for your patience and understanding as we will be addressing this on a month by month basis. I understand that makes planning for those activities that you may be wanting to hold very hard however, I do feel it's better to have no "target date" than to continue to plan and cancel again and again. At this time the BLANKET DISPENSATION is extended through the month of September. This includes canceling Rob Morris observation for this year. ALL Chapters should have sent their Financial Report to the Grand Secretary's office. If you have not please be sure it is sent by August 15, 2020. As in my previous letters; Chapters may conduct regular Chapter business i.e. pay bills and hold funeral services during this period being sure to observe "social distancing". The business is to be conducted as if the Chapter were in Summer Recess. Required observances such as Landmark and Rob Morris will have been missed and Chapters will not be able to hold the required number of meetings per year. All this will be waived for this year. Secretaries are asked to be sure the "Blanket Dispensations" are included in your minutes to cover all missed meetings and activities. As our Most Worthy Grand Matron stated in her latest letter, "We're not an organization that crumbles at the first sign of challenge or we would have been gone a long time ago! What the caterpillar calls the end of the world, the Master calls a butterfly". Working together we will all make it through and be strengthened by the hardships we have faced. Please remember we are here to help if help is needed. Please reach out and check on our Sisters and Brothers who may need assistance and most of all please remember to keep our country, our youth, our Order, and each other in your thoughts and prayers!

Lovingly and Fraternally,

Heather Earnhardt

## DIRECTIVE NO. 6

To: The Lodges of the 26th and 27th Masonic Districts In consequence of the recent change in the group gathering restrictions in the cities/counties located in the 26th and 27th Masonic Districts due to COVID-19, it becomes necessary for me, as Grand Master, to hereby ORDER AND DIRECT that the Lodges in the 26th and 27th Masonic Districts close effective July 31, 2020. There shall be no Masonic Meetings held in the Lodges, either Business Meetings or Degree Work, until further notice. The Brothers may meet in groups of 10 or less to practice Ritual Work, work on catechism instruction, or to clean or maintain the Lodge Buildings.
