From The East

Worshipful John Weldon

The month of October has been a very interesting and busy month. In as much as we had our DDGM visit on Oct 13th which was well received and at this time we voted to make Virgil Nick Hawthorne a Master Mason. On Oct 22nd the Grand Master, the Senior Grand Warden, The District Instructor, Brother Cliff Wright, Brother Ryan Tindol, and myself had the privilege of going to his home and the Grand Master made him a Master Mason in front of his family and friends. It was an emotional ceremony since he truly wanted to become a Mason, but due to his illness, he was not able to participate in taking the Three Degrees in Masonry.

Breakfast is still going on every 1st and 3rd Saturday and I encourage all the Brothers and their family and friends to come down and support the Lodge. A big thank you to all of you who have volunteered to help in the kitchen. It is greatly appreciated. Work is progressing on getting the new dishwasher installed and hope to have it up and running in the very near future.

Saturday, October 24th, Brother Ryan Tindol and I attended the Scottish Rite Reunion where after a very long day of going through all the degrees, we are now 32nd Degree Masons. I would like to encourage any and all of the Brothers to consider going through this ritual. It was a very inspiring day.

Because of the Covid and road construction, we were not able to have the Halloween Trunk or Treat that Julie LaTorre started last year and hoped to make this a yearly event since it was so well received. Also, there will be no Turkey Trot this year so those who helped with the parking will now be able to sleep in on Thanksgiving day. So many activities have been curtailed this year making it very difficult for all.

The Grand Master's Official Visit will be November 20th, and I encourage as many Lodge Brothers to attend. Reservations are required so please use the information on the bulletin board if you like to attend. Happy Thanksgiving to all my Brothers and their families and please stay safe.

From The West

W.: Shaun Imbody, Sr. Warden

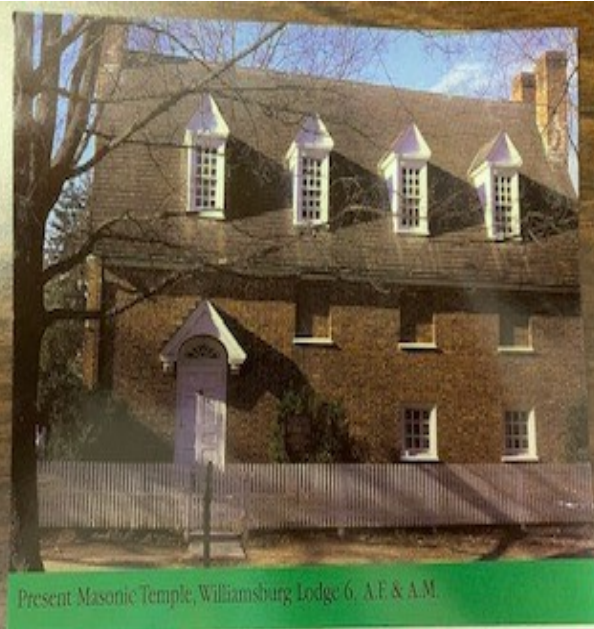

We are slowly winding down towards the end of 2020 and the beginning of a new and exciting year in Freemasonry. I would like to take a moment to thank the NUMEROUS Brothers who work diligently behind the scenes to make the Lodge run smoothly.

I would also like to recognize those Brothers who support the Lodge by continuing to pay their dues in a timely manner, year after year, even though they may be unable to attend or participate regularly in Lodge functions. Without those funds, our work would cease.

We are currently finalizing next years calendar, as well as preparing the budget for the upcoming year. If you have any ideas or priorities, now is the time to make your wishes or suggestions known! I am still looking for a Steward and a Tyler for next year. If you have an interest in serving in either capacity, please contact me. Also, if you would like to serve on any committees, please TELL me! I want to be as inclusive as possible. Have an idea for Masonic Education? Know of a good prospect for a guest speaker? Please let me know as soon as possible.

From The Treasurer

Louis Imbody

We continually discuss Masonic Education and Masonic History and it never ceases to amaze me of how little I really know about this. We recently returned from our trip to Williamsburg, Virginia, and not only had a great time, but learned a great deal about our Nations History. We were truly privileged with an invitation to experience Virginia's first Masonic Lodge which was originally built in the early 1700's. Then, after a fire destroyed the building, the Lodge was rebuilt on the same site in Historic Williamsburg. While somewhat small in comparison to our Clearwater 127 Lodge, what an awe-inspiring experience to treasure.

Our sincerest gratitude to the Officers Jan Tilley WM, Dennis Morga SW, and Bob Hegeman JW, who greeted us with open arms. These Brothers truly went the extra mile in making us feel comfortable and explaining much of the history of the Lodge. Brothers, I would truly recommend this trip not only for the enjoyment, but to increase your knowledge of Masonry and its history in our country. Be sure to contact these brothers if and when you go. I am positive they would extend the same courtesies to you as they did to us.

From The Secretary

Farran Bognar

2020 is winding down and 'tis the season for dues requests. Everyone should have received their by now. One thing you might have noticed is the Dues have gone up. Though the Lodge Dues have stayed the same (\$155) the Grand Lodge Per Capita has gone up \$5, which it will do through 2024. One way to keep Dues from creeping up on you is to become a Perpetual Member. If you have any questions on this type of membership please contact me.

We are now under Directive from the Grand Master to wear masks and have your temperature taken at **ALL** events whether it's inside or outside the Lodge building. We now have hand sanitizer stations at the front door and in the dining room. The Lodge is not required to provide masks, so remember, bring your own.

It's that time of the year for Lodge Officer Nominations. I have not received any nominations as of this typing. They are due to me by the opening of the meeting on Nov 10th.

Our charity for now through Christmas is Toys For Tots. If you have new toys still in the packaging bring them in to be given away for Christmas. Bring in two toys on a breakfast morning and get a free breakfast.

I hope that everyone has a healthy, wealthy November. Let's hope for a speedy vaccination so we can get on with our lives.

From the Junior Deacon

Clifford Wright

During these trying times of uncertainty and National unrest, it is a blessing to find a moment in time filled with the light and warmth of Brotherly love and fellowship. The other night, I had the honor, indeed, the privilege to participate in an event that was truly history in the making. MWGM, Thomas Turlington, along with several distinguished Brothers of the Fraternity, made a worthy and well recommended gentleman a Master Mason, on site. At first glance, this may not seem particularly special, however, I assure you that is

not the fact.

Nick Hawthorne and I have been friends for several years. We have had numerous intense and enlightening conversations about politics, philosophy and, yes, Masonry. Nick's father was a Mason. Nick had regularly expressed an interest in following his father's footsteps and become a Master Mason himself. As often happens, life intervened and Nick postponed his yearning so as to attend the duties of a responsible husband and father. Nick's journey has not been an easy one. Recently, he was diagnosed with several cancers and it appeared, to him at least, that he would never make his father proud and become a Master Mason. It was at this time that the Great Architect of the Universe intervened.

It was during one of my visits that Nick confided in me a regret that vexed his mind and heart, causing him immense emotional and spiritual anguish; it was too late to become a Master Mason. As we spoke of his intense yearning, tears of repentance flowed down his cheeks, his hands shook with remorse. It occurred to me that it should never be 'too late'.

Inspired by Nick's revelation, motivated by love of my friend, I asked my Brothers if there was a way, we could relieve his troubled mind and heart. Alas, as is often the case with Masons, a worthy Brother revealed that there was a path. Through the determined efforts of several Brothers, the MWGM Thomas Turlington, contingent upon certain qualifications, could and would make Nick a Master Mason, on site. The Brothers of Clearwater Lodge 127 united together and set about the task of fulfilling Nick's dream of becoming a Master Mason. This combined effort and outpouring of love is emblematic of what Masons do. It is a moment in the long history of our Lodge that I shall hold dear within my breast for the rest of my remaining years.

October 22, 2020...the moment had arrived. The house was bursting with family and friends, all of whom were eager to celebrate this remarkable and extraordinary moment of history. I visited with Nick as he prepared for this courageous and extraordinary event. He was nervous and uncertain as to what was soon to transpire. I assured him that there was nothing to fear for he was among men of honor and loving family and friends. His lovely wife and daughter had made preparations for refreshment and accommodation. Exhilaration and love filled this home and the hearts of all in attendance.

MWGM Thomas Turlington was amazing in his making Nick a Master Mason. The reverential silence and respect were deafening as onlookers were enthralled by the MWGM's expressive and humble words. WM Weldon presented Nick his Lamb Skin Apron, tears welled up in many an eye, followed by SD Tindol's presentation of the Lewis Jewel engraved with the name of Nick and his father. I had the honor, indeed the pleasure, of presenting Nick his Masonic Bible, accompanied by a beautiful rendition of the Bible presentation as performed by the MWGM himself. Nick was also presented his Masonic Education manual, the Masonic Monitor, and the Cypher Book from which he will learn his work. He was then presented his Masonic Ring, at which point there was hardly a dry eye in the house.

Afterward, numerous pictures were taken, to commemorate this solemn event, followed by thunderous applause and congratulation. Hugs, kisses, and words of gratitude soon ensued. It was truly a magnificent moment of pride and admiration for Nick, Florida's newest made Master Mason. Congratulations and welcome my friend, my Brother.

A special thankyou to the MWGM and all the Master Masons that made this historic event possible. Clearwater Lodge 127 has demonstrated what we are all about when united in the common cause of friendship and Brotherly love. Let us never forget this gift of unity that Nick has afforded to our Lodge and may we ever remain unified in the cause of the betterment of men and humanity.

Penney's entire business philosophy was based on fairness to the customer. He was determined to provide the best value for the dollar, offer intelligent and helpful service, and charge only enough to make a fair profit. The number of Penney stores jumped from 48 in 1914 to almost 1,400 in 1929. Penney always wanted his stores closed on Sundays, so his employees could go to church.

When the stock market crashed in 1929 he lost nearly \$40 million. Undaunted, he went to work rebuilding, and within three years, he was on his way to success again. Once again, Penney and his chain of stores prospered. He began writing, lecturing, and devoting more and more time to humanitarian projects and philanthropies. In 1940, during a visit to a store in Des Moines, Iowa, he trained a young man named Sam Walton on how to wrap packages with a minimal amount of paper and ribbon.

He died in 1971. The Reverend , Brother, and Dr. Norman Vincent Peale delivered the eulogy at the funeral.

J. C. Penney became a member of Wasatch Lodge in Salt Lake City, in 1911, and later a dual member of Unite Services Lodge in New York. In 1958, he received a Gold Distinguished Service Award from Royal Arch Masonry and in 1945 became a 33rd Degree Scottish Rite Mason. He typically wore a large Masonic ring showing his pride of being a member.

Brother Penney did not like the word "employee", preferring to treat everyone as a partner, and calling each "an associate." He devoted himself to treating them as he would want to be treated were the situations be reversed. He put the Golden Rule into action and success.

J. C. Penney, Master Mason

In recent months, media accounts have covered the ongoing news related to the filing of bankruptcy of the J. P. Penney stores around the country, which have been in business for more than 118 years. For us, it is a good time to focus on the Mason who was founder of that company.

James Cash Penney was born in 1875 in Hamilton Missouri. His first paying job there was in a general store, where at the age of 20, he worked for \$2.27 a month.

According to a story about him in the August, 1992, *Scottish Rite Journal*, Brother Penney “was successful because of his basic philosophy in dealing with people and the principle of the Golden Rule, which was ingrained in him as a young boy by his father, a small-town minister.”

He later moved to Denver, where his first attempt at business failed when he refused to provide one of the best customers of his meat market with a bottle of whiskey each week as a bribe. Later, while working in a department store in Wyoming, he turned down an offer for twice his pay to run a store for a competitor because he did not want to compete with his old boss.

Penney’s real opportunity emerged when he became a partner in a new store in Kemmerer, Wyoming. By 1907, when he was 32 years old, he was a partner in three stores there, and later took another opportunity to become sole owner for \$30,000. He called his enterprises The Goled Rule Stores. His chain of stores grew, and within three years, he had 14 stores.

Because other stores had taken the name The Golden Rule, he changed the name of his chain to the J. C. Penney Company.
